

POSITION VACANCY ANNOUNCEMENT

City of Seguin

“An Affirmative Action/Equal Employment Opportunity Employer’s

\$\$\$BUILDING INSPECTOR

1017

07/27/2010

Ensures plans for, and actual construction of, all new and remodeled structures meet specific safety codes. Specifically, ensures compliance with plumbing, mechanical, and national electrical code requirements. May also enforce City codes and ordinances by inspection of violations/complaints.

Position requires: High school diploma or equivalent; sufficient technical training to conduct code enforcement inspections, plus at least five years of experience in a building trade which included reading and interpreting blueprints; technical knowledge to conduct inspections of building construction, plumbing, electrical systems, framing, foundation, and heating and air conditioning systems. Applicant must possess or be able to obtain a combination of the following certifications within an agreed upon time frame: ICC Residential & Commercial Electrical Inspector, Mechanical Inspector, Energy Inspector, Texas State Plumber License; Certification as a registered Code Enforcement Officer with the State of Texas; and State of Texas Class C Driver’s License.

Must be able to successfully complete pre-employment drug screen. Beginning annual salary is \$32,888 – \$39,357 dependent upon qualifications. Applications will be accepted by the Human Resource Department, Seguin City Hall, 205 N. River, Seguin, TX 78155. Position open until filled.
